What are you doing during YOUR spring break???

Have you considered going on a Real Break OCF trip to international locations including Greece, Guatemala, Mexico, and more? And this is one trip that **YOU** won't have to pay for...raise funds from your family, friends, parish, school, etc., and participate in a service-oriented mission trip with other Orthodox Christian college students which is sure to influence you even more than those whom you are helping. Build houses, take care of children at orphanages, and learn more about your faith with peers of your own faith from around North America.

When is **YOUR** spring break?

Visit www.ocf.net to register before the trips fill up!

Those Summer Nights...

Got plans this summer? Even if you do, be sure to fit in our diocese Parish Life Conference, which is at Lake Winnipisaukee, NH this year from June 22-25th ... there will be events SPECIFICALLY for you, the young adults of New England, including:

6:00-7:30pm **Friday** – College Student Dinner @ local restaurant

12:00-3:00pm **Saturday** – lunch and Ask Abouna followed by beach volleyball by Lake Winnipisaukee

Plus other exciting events, including dinners, dances, and more! Keep an eye out for more details and how to register...

Have you found a parish?

If you are having trouble locating an Orthodox Church near you/your school, then you should check this out!

Go to www.antiochian.org and click on *Find a Parish Near you* and just enter your zip code. Now we really don't have any excuses!

What is the NASB?

The **North American Student Board** operates under the Archdiocese's Department of College Ministry. It is comprised of a college representative from each region, a lay advisor, and spiritual advisor. The NASB is not a group, per se (i.e. SOYO) but is a resource for Antiochian Orthodox college students. It is the NASB's mission to minister to all college-aged within our Antiochian Archdiocese. That means making you aware of programs, organizations, events, etc. that you can participate during your college years in order to stay involved in the church. As an extremely important ministry, the NASB is dedicated to making you aware of the many options you have during your college years.
