Name

Helping Care for the  
Orthodox Church

Dear Student,

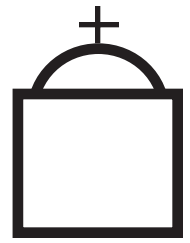

As a member of the Orthodox Church, you can help care for it. You can do many things. One of them is to bring in some money for the collection each week. This is called a "tithe."

These pages are arranged for each month between November and May. On the pages of this book you can color, and paste. There are pictures to paste on the last page.

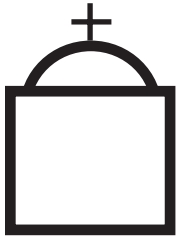

We need to care. We need to share. To tithe is to share.

# Learning to Tithe

Jesus Christ gave us the Church. We help care for it when we put money in the collection basket. You can put money in, too. We call this a “tithe.”

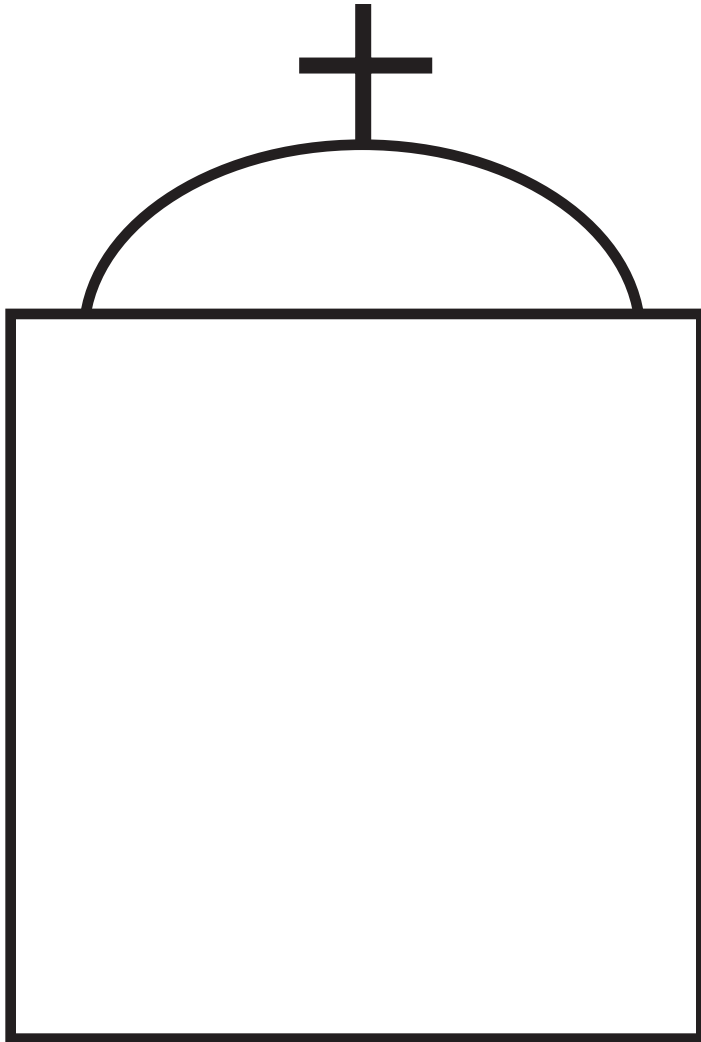

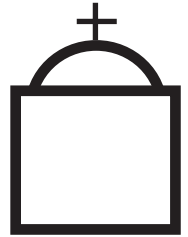

We say "Thank You" to God

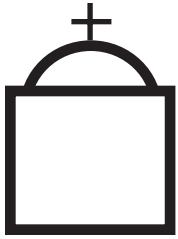

Jesus is God's gift to us. To say, "thank you," to God we bring money in for the collection.

# Taking Care of our Church

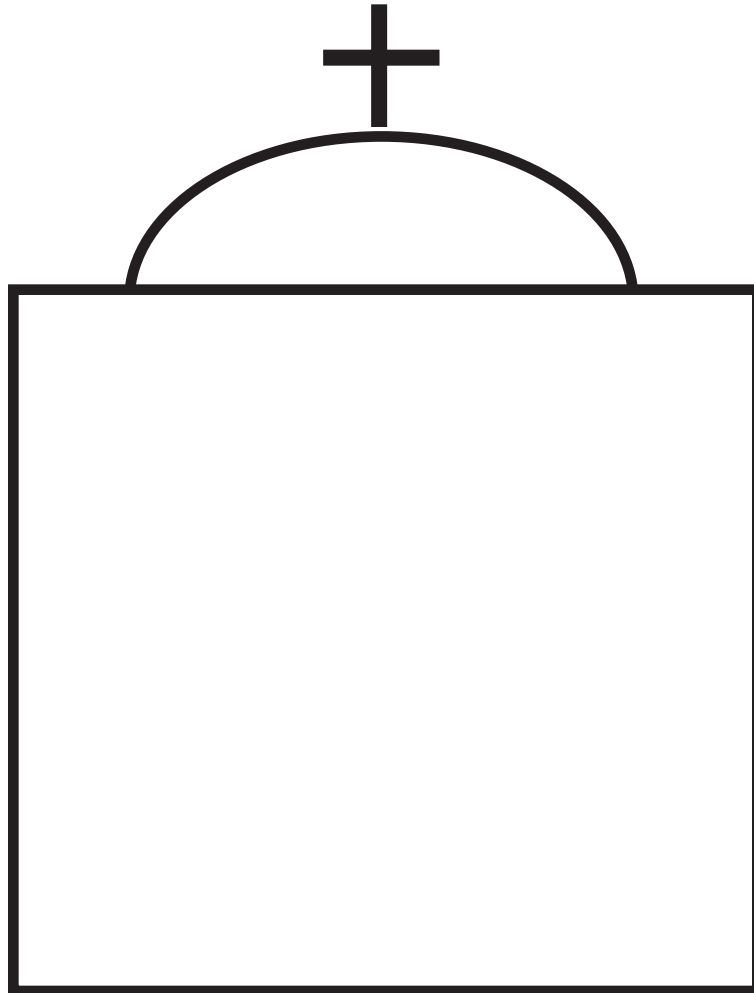

Our bishops care for the Orthodox Church by teaching us. We care for the Church by tithing, and by sharing the
