Make a Difference Orthodox Summer Camps

What are you doing this summer?! Orthodox Christian Summer Camps are looking for individuals who want to be a dedicated staff member, helping to provide campers with a true and living experience of the Orthodox Faith in Christ Jesus. All staff will have the chance to teach and strengthen campers knowledge of the Christian life by living it yourselves in word and deed: liturgically, sacramentally, and ascetically. They will also have the opportunity to live in an uncluttered, natural, and peaceful community with fellow members of the Body of Christ, and with love and appreciation for God's creation. Don't forget, we are also there to have fun time with the campers and other Staff members. It's an experience of a lifetime!

What is the NASB?

The *North American Student Board* operates under the Archdiocese's Department of College Ministry. It is comprised of a college representative from each region, a lay advisor, and spiritual advisor. The NASB is not a group, per se (i.e. SOYO) but is a resource for Antiochian Orthodox college students. It is the NASB's mission to minister to all college-aged within our Antiochian Archdiocese. That means making you aware of programs, organizations, events, etc. that you can participate during your college years in order to stay involved in the church. As an extremely important ministry, the NASB is dedicated to making you aware of the many options you have during your college years.
