Where has the time gone? It seems like just yesterday I was writing the September newsletter.

I pray this newsletter finds you all happy and healthy. I hope you all had a wonderful Christmas and New Year's.

There are a couple of important bits in this newsletter, so please read. There are details for Montreal, as well as Topeka.

As always, if you ever hear of anything going on in your area, let me know and I would be more than happy to include it in the newsletter. If you have any ideas or suggestions, or would like to write for the newsletter, you are more than welcome.

Please feel free to call or e-mail me if you need anything at all! My cell number is **316.708.0748** and e-mail is leighc33@ou.edu.

What is the NASB?

The NASB stands for the North American Student Board that operates under the Archdiocese's Department of College Ministry. It is comprised of a college representative from each Diocese and a lay advisor, Kathy Abraham and a spiritual advisor, Father Anthony Yazge. The NASB is not a group, per se (like SOYO) but it is a resource for Antiochian Orthodox college students. It is the NASB's mission to minister to all college-aged within our Antiochian Archdiocese. That means making you aware of programs, organizations, events, etc. that you can participate in during your college years in order to stay involved in the church. As an extremely important ministry, the NASB is dedicated to making you aware of the many options you have during your college years.

Topeka

We are working on a wonderful dinner/evening out in Topeka this summer. If you are interested please let me know. Also let me know if you have any ideas!

Think about it...

“For I know the plans I have for you, declares the LORD, plans to prosper you and not to harm you, plans to give you hope and a future.”

Jeremiah 29:11

MONTREAL

If you plan on attending the Archdiocese convention in Montreal this summer, you **MUST** have a passport. Check the link below, it's the application to apply for a passport. All you will have to do is print it off and get your picture taken. Start now though, because they take several weeks to process.
