KH. SUSAN WALLACE

Kh. Susan grew up in a sect of Mormonism and was wholly devoted to her faith. Her teen years, however, unveiled a nagging hunger for authenticity and she began a long journey for truth. After the birth of her first daughter, she had an encounter with God that gave her the courage to abandon the faith of her heritage and wholeheartedly embark on this journey. It would take almost thirty years and various denominations to find her way home to the true faith of her heritage, the Orthodox Christian Church. Her inspiration is drawn from the prayer of the Lord Jesus in St. John's Gospel, "That they all may be one... that the world may believe that thou hast sent me."
