

MEDICAL PROGRAM

“It is not those who are well who need a physician, but those who are sick.”

Metropolitan Saba has established a medical clinic to show God’s mercy and healing to all in need. Two physicians are needed to provide care to the population. The clinic has just begun to acquire some medical equipment, but great needs still exist. They hope to have a rudimentary laboratory soon.

Needs to be met and future goals:

- **Funds for two physicians at \$200 per month each (total \$4800 per year)**
- **Funds for medical equipment and medicine.**
- **Medical mission trips with US health care providers**

**THE HAURAN
CONNECTION**
